Revenue Ruling 19-1998-1

Issue: Application of Kansas retailers' sales and consumers' compensating tax on purchases of motor vehicles to be converted to implements of husbandry.

Relevant Statutes: K.S.A. 8-126(cc); K.S.A. 79-3606(t)

The purpose of this revenue ruling is to clarify the taxation for purposes of Kansas retailers' sales tax and Kansas compensating (use) tax on the sale of motor vehicles that are intended to be converted to an implement of husbandry, as defined by K.S.A. 8-126(cc). Implements of husbandry are exempt per K.S.A. 79-3606(t). Persons that separately acquire a motor vehicle and farm equipment accessories necessary to convert the motor vehicle to an "implement of husbandry" shall be required to pay Kansas retailers' sales tax or Kansas consumers' "use" tax on the purchase of the motor vehicle. Persons that convert the separately purchased vehicle and accessories and meet requirements of first use will be able to apply to the Kansas Department of Revenue (department) for Kansas retailers' sales tax and Kansas compensating (use) tax refund for taxes paid on the original purchase of the motor vehicle.

For purposes of Kansas retailers' sales tax and Kansas compensating (use) tax, the department recognizes "implement of husbandry" as farm equipment.

"First use" shall mean the use by the purchaser preceding all other uses. If a person purchases a motor vehicle and the person's "first use" is a taxable use, then that person would be barred from obtaining a refund of sales or use taxes paid.

The sale of vehicles that have previously been converted to an implement of husbandry shall be exempt from Kansas retailers' sales tax and Kansas compensating (use) tax.

This revenue ruling is prospective and supersedes all previous Department of Revenue notices, revenue rulings, private letter rulings or other advice regarding this matter.

Department of Revenue Revenue Ruling 12-1998-1

Issue: Application of Kansas income and privilege

tax to shareholder distributions by subchapter S financial institutions.

Relevant Statutes: K.S.A. 79-1109;

K.S.A. 79-32,117(c)(xiv)

This ruling is intended to clarify the application of Kansas income tax to shareholder distributions made by financial institutions that are organized as subchapter S corporations. For purposes of this ruling, "financial institution" means banks and savings and loans that are organized under any state law, and banking associations and federal savings and loans that are organized under the laws of the United States. "Shareholder" means a shareholder of such a financial institution that is organized as a subchapter S corporation.

In 1997, the Kansas Legislature amended the Kansas privilege tax and the Kansas income tax laws. These amendments change the way that subchapter S shareholders report earnings on their individual income tax returns. Shareholders are now required to adjust their Kansas adjusted gross income by excluding any subchapter S earnings that have not been distributed to them in the form of dividends, even though the shareholder has reported such earnings a part of his or her federal adjusted gross income. This exclusion is accomplished by first determining the difference between total shareholder earnings from the subchapter S corporation that are reported on the shareholder's federal return and the earnings that have been paid to the shareholder in the form of dividends. The difference should be included on Line A10 of Schedule S, which supplements form K-40, as subtraction from the shareholder's federal adjusted gross in-

Likewise, any subchapter S losses of a shareholder must be reported as an add back on the Kansas return since these losses have reduced the shareholder's reported federal adjusted gross income. This should be done by including the losses on Line A4 of Schedule S, which supplements form K-40, as an "add back" to the federal adjusted gross income.

As used in K.S.A. 79-32,117(c)(xiv) and this ruling, dividends shall have the same meaning as dividends for federal income tax purposes.

eral income tax purposes.

Anyone who has questions or wishes to discuss this ruling may contact the Taxpayer Assistance Bureau, Kansas Department of Revenue, Topeka, 66625-0001, (785) 296-0222.

Notice of Mini-Grant Program

A community coalition outreach and breast cancer screening recruitment mini-grant program has been developed as a part of the FREE to Know Program (Kansas Breast and Cervical Cancer Initiative) to assist coalitions in providing breast cancer education and outreach and in recruiting Kansas women 50-64 years of age to receive breast cancer screening services provided by FREE to Know. Applicants wishing to be considered for funding need to indicate a minimum number of program-eligible women to be recruited and enrolled as a direct result of outreach efforts. Grants up to \$2,000 each will be awarded to local community coalitions. Applications addressing minority or rural women will receive priority consideration. Funded proposals must identify a community partnership of interested organizations and/or individuals committed to improving breast cancer screening rates. Applications must be postmarked not later than May 1. Award notification will be made by June 1. Funds must be expended by December 31, 1998.

The grant program will offer support and funding for activities/interventions that will ensure women age 50-64 who are at 200 percent poverty level or below receive information about breast cancer, early detection and recommended screening guidelines, and the availability of free screening services. This includes addressing barriers to receiving screening services, such as transportation, literacy, language, etc.

Revenue Ruling 12-1998-2

Issue: Application of Kansas income tax to Kansas Public Employees Retirement System

(KPERS) lump sum payments.

Relevant Statutes: K.S.A. 74-4923(b); K.S.A. 74-4901; K.S.A. 79-32,117(ii)

The purpose of this revenue ruling is to clarify the taxation of contributions and earnings credited to a KPERS member's account upon the member's termination from the state or other qualified employer. When a member terminates employment and elects a lump sum payment of KPERS contributions, a portion of that payment is accrued earnings.

K.S.A. 74-4923(b) states in pertinent part: "Any annuity, benefits, funds, property or rights created by, or accruing to any person under the provisions of K.S.A. 74-4901 et seq., and amendments thereto, shall be exempt from any tax of the state of Kansas or any political subdivision or taxing body of the state." Earnings are credited pursuant to K.S.A. 74-4919(l).

It shall be the policy of the Kansas Department of Revenue to exempt from Kansas income tax all distributions from KPERS.

State of Kansas

Kansas Commission on Governmental Standards and Conduct

Opinion No. 1998-5

Written March 19, 1998, to the Honorable Vince Cook, State Representative, Topeka.

This opinion is in response to your letter of February 27, 1998, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the application of the state level conflict of interest laws (K.S.A. 46-215 et seq.) and the local level conflict of interest laws (K.S.A. 75-4301a et seq.). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 46-215 et seq. and the application of K.S.A. 75-4301a et seq., and whether some other statutory system, common law theory or agency rule and regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand you request this opinion in your capacity as a state representative and as a member of the Topeka City Council. You are concerned about any po-

tential conflicts of interest regarding votes you may make in matters involving the City of Topeka and the legislature.

Question

What prohibitions are there on you voting on issues that involve the City of Topeka or the State of Kansas?

Opinion

In your capacity as a state representative you are subject to the state level conflict of interest laws (K.S.A. 46-215 et seq.). Under those laws, K.S.A. 46-233 (a) is the only section that may apply to your question. That subsection in pertinent part states:

No state officer or employee shall in the capacity as such officer or employee be substantially involved in the preparation of or participate in the making of a contract with any person or business by which such officer or employee is employed or in whose business such officer or employee . . . has a substantial interest. . . .

We first note that the definition of "person" (K.S.A. 46-223) and the definition of "business" (K.S.A. 46-230) include "governmental agency unit" and "governmental subdivision." In addition, under the definition of "substantial interest" (see K.S.A. 46-229), you would hold a "substantial interest" in both the city and the legislature. Therefore, you would be prohibited, as a legislator, from participating in the making of any contracts on behalf of the legislature with the city unless the contract was competitively bid or the price or rate of the contract was fixed by laws (see K.S.A. 46-233(d)).

In your capacity as a member of the city council, you are subject to the local level conflict of interest laws (K.S.A. 75-4301a et seq.). Under those laws, K.S.A. 75-4304(a) is the only section that may apply to your ques-

tion. That subsection states:

No local government officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which such officer or employee is employed or in whose business the officer or employee has a substantial interest.

K.S.A. 75-4301a(b) defines "business," for the purpose of holding a "substantial interest," as the following:

. . . corporation, association, partnership, proprietorship, trust, joint venture, and every other business interest, including ownership or use of land for income.

This definition of "business" does not include "governmental agency unit" or "governmental subdivision" and the term "person" is not defined in the local conflict laws. Thus, this commission has consistently held that under the local conflict laws a "substantial interest" cannot be held in units of government. Therefore, K.S.A. 75-4304(a) would not apply, and there would not be any prohibitions on you, as a city council member, from voting on issues affecting the state.

In closing, we note that votes on issues other than contracts are not prohibited under the statutes within this

commission's jurisdiction.

Opinion No. 1998-6

Written March 19, 1998, to Edward F. Wiegers, Chairperson, Behavioral Sciences Regulatory Board, Topeka.

This opinion is in response to your letter of February 25, 1998, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the state level conflict of interest laws (K.S.A. 46-215 et seq.). We note at the outset that the commission's jurisdiction is limited to the application of K.S.A. 46-215 et seq., and whether some other statutory system, common law theory or agency rule and regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand you request this opinion in your capacity as the chairperson of the Behavioral Sciences Regulatory Board (BSRB). You advise us that Mary Ann Gabel is the executive director of the BSRB, and has been since your appointment to the board in 1994. You further advise us that Ms. Gabel is the spouse of your brother-in-law, Edwin Gabel. In addition, you are the spouse of Ms. Gabel's sister-in-law, Mary J. (Gabel) Wiegers. Your spouse and Ms. Gabel's spouse are brother and sister. You are concerned about whether or not Mary An Gabel is considered to be a member of your family, for purposes of the state nepotism statute, due to these relationships.

Question

Is the spouse of a sister-in-law, or the spouse of a brother-in-law, considered to be a "family member" under the state nepotism statute, K.S.A. 46-246a?

Opinion

K.S.A. 46-246a in pertinent part states:

(a) From and after the effective date of this act, no state officer or employee shall advocate or cause the employment, appointment, promotion, transfer or advancement to any office or position of the state, of a member of such officer's or employee's household or a family member.

(b) No state officer or employee shall participate in an action relating to the employment or discipline of a member of the officer's or employee's household or a family member.

K.A.R. 19-40-4(b)(1)(G) defines "family member" as the following: "parent, child or sibling related by marriage as denoted by the suffix of 'in-law.'"

In applying the language of K.A.R. 19-40-4 to your question, it is the commission's opinion that the spouse of a sister-in-law or the spouse of a brother-in-law is a "sibling related by marriage as denoted by the suffix of 'in-law.' "Therefore, you and Ms. Gabel are brother-in-law and sister-in-law.

Thus, under K.S.A. 46-246a you both could continue in your present capacities with the BSRB. However, both of you would be required to completely abstain from participating in any of those activities outlined in subsections (a) and (b) of the statute.

(b) There shall be deducted from the grand prize percentage, an amount equal to no more than two percent of total sales which shall be placed in trust in one or more prize reserve accounts until the prize reserve accounts reach the amounts deemed sufficient. Once the prize reserve accounts exceed the amounts deemed sufficient, the excess shall become part of the prize pool. Any amount remaining in a prize reserve account at the end of this game shall be carried forward to a replacement prize reserve account or expended in accordance with the Kansas lottery act.

(c) Except as provided in these rules, all prizes awarded shall be paid as set cash prizes with the following expected prize payout percentages:

		Prize Pool Percentage

The prize pool percentage allocated to prizes shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the prizes awarded in the current draw. If the total of the prizes awarded in drawing exceeds the percentage of the prize pool allocated to prizes, then the amount needed to fund the prizes awarded shall be drawn from the following sources, in the following order:

(1) The amount allocated to the prizes and carried forward from previous draws, if any;

(2) an amount from the prize reserve account, if available, to fund payment of up to three life-time grand prizes per drawing; and

(3) for the purpose of paying the lifetime grand prize of \$1,000 per week only, an assessment made against the lotteries selling the game in proportion to their sales for the draw causing the excess liability not to exceed funding for three lifetime grand prizes per drawing. Notwithstanding other provisions on this rule, the total amount paid to the lifetime grand prize winners for a single drawing shall not exceed the amount necessary to fund three lifetime grand prizes per drawing. If, after these sources are depleted, there are not sufficient funds to pay the prizes awarded, then the lifetime grand prize shall become a parimutuel prize. If the amount of the lifetime grand prize, when paid on a parimutuel basis, drops to or below the next highest prize and there are still not sufficient funds to pay the remaining prizes awarded, then the next highest prize shall become a parimutuel prize with equal weekly payments made to all lifetime grand prize winners for the drawing. This procedure shall continue down through all prize levels, if necessary, until all prize levels become parimutuel prize levels. In that instance, the money available from the funding sources listed in this rule shall be divided among the winning plays in proportion to their respective prize percentages. All cash prize levels shall have a minimum prize payout of \$1. Assessments made against a member lottery pursuant to this rule shall be repaid from funds in the prize reserve account as they become available. (Authorized by and implementing K.S.A. 1997 Supp. 74-8710; effective, T-111-3-13-98, Feb. 20, 1998.)

The overall probabilities of winning a prize on a single \$1 ticket include the possibility that some tickets may contain duplicate numbers and are based on the total number of possible combinations of tickets in the game. The grand prize amount does not include the prize reserve account deduction or other deductions, if any. (Authorized by and implementing K.S.A. 1997 Supp. 74-8710; effective, T-111-3-13,98, Feb. 20, 1998.)

111-5-69. Prize payments. (a) Subject to the limitations of subsection (c) of K.A.R. 111-5-67, the lifetime grand prize of \$1,000 per week, or the share of such prize as determined in subsection (c) of K.A.R. 111-5-67 shall be paid to the owner of a ticket which matches all four winning numbers in the single set of four numbers at the top of the ticket and identified as the "\$1,000 a week for life" prize group.

(1) The lifetime grand prize shall commence on the first Wednesday following the date of the win and shall be paid every Wednesday thereafter for a minimum of 10 years and for no more than the lifetime of the natural person who claims the prize and is validated as the win-

ner of the prize.

(2) In the event of the death of a lottery winner during the minimum 10-year payment period, payment will continue to be made to the winner's estate or designated beneficiary until the minimum 10-year payment period is completed. Upon the petition of the estate of the lottery winner to the Kansas lottery, subject to federal, state, or district applicable laws, payment may be accelerated to make the payments for the minimum 10-year payment period to the estate. If such a determination is made, the remaining securities and/or cash held to fund the minimum 10-year payment period for the deceased lottery winner's annuitized prize may be distributed to the estate. The identification of the securities to fund the annuitized prize shall be at the sole discretion of the lottery or its designee.

(b) Except for the lifetime grand prize, all prizes shall be paid in a single cash payment.

(c) All prizes shall be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to

the prize pool for the next drawing.

(d) Changes in the allocation of prize money shall be designed to retain approximately the same prize allocation percentages, over a year's time, set out in these rules. Minimum guaranteed prizes may be waived if the alternate funding mechanism set out in subsection (c) of K.A.R. 111-5-67 becomes necessary.

(e) The holder of a winning ticket may win only one prize per set of numbers in connection with the winning numbers drawn, and shall be entitled only to the prize won by those numbers in the highest matching prize category per set of numbers. There are 15 sets of numbers

per ticket.

(f) Prize claims shall be submitted for payment within 365 days of the drawing in which the prize was won. (Authorized by and implementing K.S.A. 1997 Supp. 74-8710; effective, T-111-3-13,98, Feb. 20, 1998.)

eligible to receive a prize, a ticket shall satisfy all the requirements established by the Kansas lottery for validation of winning tickets sold through its on-line system and any other validation requirements adopted by the product group, the MUSL board and published as the "Confidential MUSL Minimum Game Security Standards" revised January 13, 1998. The MUSL and the lottery shall not be responsible for tickets which are altered in any way. (Authorized by and implementing K.S.A. 1997 Supp. 74-8710; effective, T-111-3-13,98, Feb. 20, 1998.)

111-5-71. Ticket responsibility. (a) Until such time as a signature is placed upon a ticket in the area designated for signature, a ticket shall be owned by the bearer of the ticket. When a signature is placed on the ticket in the place designated, the person whose signature appears

in such area shall be the owner of the ticket and shall be entitled, subject to the validation requirements in K.A.R. 111-5-70, to any prize attributable thereto.

(b) The manner of payment of prizes for valid winning tickets bearing multiple signatures shall be determined

by the rules of the Kansas lottery.

(c) The product group, the MUSL and the party lotteries shall not be responsible for lost or stolen tickets. (Authorized by K.S.A. 1997 Supp. 74-8710; implementing K.S.A. 1997 Supp. 74-8710 and K.S.A. 74-8720; effective, T-111-3-13-98, Feb. 20, 1998.)

111-5-72. Ineligible players. (a) A ticket or share for a MUSL game issued by the MUSL or any of its party lotteries shall not be purchased by, and a prize won by any such ticket or share shall not be paid to:

same household.

Those persons designated by the Kansas lottery act as ineligible to play its games shall also be ineligible to play the MUSL game in Kansas. (Authorized by K.S.A. 1997 Supp. 74-8710; implementing K.S.A. 1997 Supp. 74-8718 and K.S.A. 74-8719; effective, T-111-3-13-98, Feb. 20, 1998.)
